RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The following is a response to the Office Action dated September 22, 2006 in which pending claims 13-16 were rejected under non-statutory obviousness type double patenting as being unpatentable over respective claims 13-16 of U.S. patents 7,092,889 and 7,085,713.

To overcome the obviousness type double patenting rejection, submitted herewith is a Terminal Disclaimer disclaiming the term of the patent to issue from the instant case that exceed the terms of the '889 and '713 patents.

Now that now other outstanding matter is believed to remain in this case, the examiner is respectfully requested to pass the case to issue at an early date.

Respectfully submitted,
